Public Hearing on Zoning to Be Held Apr. 24

Maps of Proposed Zoning to Be on Display at Library; News Office

A public hearing on the proposed zoning ordinance for the Village of Antioch will be held on April 24 according to an announcement made today by Village Clerk Roy L. Murrell.

The ordinance was revised and corrected at a meeting of the village board Monday night and the date was set for the public hearing. Maps showing the proposed zones for the different types of building will be on display at the Antioch Township library and at the Antioch News office within a few days so that residents and property owners in the village may acquaint themselves with the proposed zones and thus be informed as to what is planned before the hearing takes place.

Murrell said that any property owner, holding property in the village, would be heard at the meeting. He said that the Board had worked out the zones in a manner which would best serve the needs of the village and to properly protect the interests of all property owners within the village, but that some suggestions which may be made might have considerable value and also stated that it is the hope of the board that all persons who may have complaints against the zoning ordinance as now set up would appear at the meeting to air their views.

Issues Building Permits

Building permits were issued to Al. Barnstable, who will erect a new home on Bishop street, and to Mrs. Margaret M. Anderson, Grayslake for the erection of a business building at 373 Lake street, the property which is now occupied by the Emmons house.

Hulse Candidacy Gains in Favor

The candidacy of Minard E. Hulse, Waukegan attorney, for the Republican nomination for county judge appears to be growing in favor with voters as the campaigning nears the end. Hulse is very well known throughout the county through having been a partner in the firm of Hall and Hulse.

Hulse lists as qualifications for the nomination the fact that he has had a wide and varied experience in judicial matters having been assistant states attorney under A. V. Smith and having handled all juvenile delinquency matters and other county court matters during that time.

He is a graduate of Northwestern University and received his degree from that institution in 1922, at which time he became associated with Albert L. Hall in the firm Hall and Hulse.

He served as secretary of the Waukegan defense council during World War II, and as appeal agent for the Libertyville selective service board. He is a veteran of World War I, having enlisted as a private and rising through the ranks to Second Lieutenant, during the two and one half years he served.

"If elected, I will withdraw from the firm of Hall, Hulse, Meyer and Carey, and devote my entire time to the County Judgeship," is the campaign promise of Mr. Hulse.

Virginia R. McMahon, H. Roger Williams United in Marriage

Miss Virginia R. McMahon, daughter of Mr. Earl McMahon, became the bride of H. Roger Williams, son of Mrs. Lillian Hand, at a double ring ceremony at the Methodist parsonage Sunday, at 2:30 p. m., with the Rev. Warren C. Henslee officiating.

The bride wore a gray suit with blue accessories, her flowers were white orchids. Her aunt, Mrs. Rita Parz, was matron of honor, wearing a green suit with brown accessories, her flowers were rust talisman roses. Dean Williams, brother of the groom acted as best man.

A wedding dinner for 60 guests was served at the Colony House at Rock Lake, and a reception was also held there.

Mr. and Mrs. Williams left afterwards for Chicago and an extended honeymoon trip, after which they will be home to their friends in Antioch.

Todd Webb, of Santa Barbara, California, was the dinner guest of his cousins, Elizabeth and Ray Webb, Wednesday.

Mrs. Ed. Frazier Elected 1st Vice- Pres. of Auxiliary

Mrs. Edward Frazier was elected vice president of the Antioch Legion Auxiliary at a meeting held in the Legion home last Friday evening.

Mrs. Eva Burnette, rehabilitation chairman, reported on the annual birthday party held at Downey hospital, March 14th. The organization was commended in a letter from Mrs. Eleanor Whittington, chairman for the party, thanking the local post for their help.

The unit purchased 150 folding chairs for the home.

Cards and refreshments were enjoyed after the business meeting.

Hello Sir:

Just another change of address

again. I hope this will be the last one.

This makes my third division, I came over with the 89th and last October I joined the 83rd in Germany, and then we moved to Austria near Linz. And now I am in the 42nd Rainbow Division near Salzburg.

I hope those back newspapers catch up to me. I sure do miss them. I hope to be seeing you people next summer for sure.

Thanks again for the paper.

Yours truly,

Ray Lasco

—V—

Dear Sirs:

Here I am again. It was only a short time ago that I sent you a letter from Klipsan Beach and two papers came there and then before I could catch my breath they moved me again so if you please, change my address and send the "good old News."

I would appreciate it very much if this were done. This should be where they will keep me for sometime so it may be the last address I will have before getting out (I hope!)

Summer will be coming there soon and all the boys that are back should really enjoy it. You haven't so many servicemen to take care of now but with summer coming production will probably have to increase but taking care of people there should be a snap compared with what you had to handle during the war and I think a lot of credit should be given to the Legion for their help. This closes my short letter and thank you again.

Very sincerely yours,

Richard Stastny

Red Cross Drive Now Over \$500; More Coming in

Chairman Herman Holbek Praises Fine Response To Drive

Still steadily growing, the total received in the Red Cross drive today reached a total of about \$500 with more donations coming in daily. Chairman Herman Holbek praised lake region residents for the fine response and stated that workers had been handicapped by poor road conditions in seeking contributions in the country.

Holbek said that the \$2000 quota set up by the Red Cross would be met if the rate funds are now being received could be kept up. He said that he was certain that residents of the region would give liberally, as in the past, and thus make the success of the drive assured.

Fire Department Honors Returned Servicemen Tues.

Dinner Party at Nielsen's Corners Fetes 13 Members

Members of the Antioch Fire Department and Antioch Rescue squad who have returned from service since the war were honored at a turkey dinner at Joe and Helen Stierbenz' Barbecue at Nielsen's corners Tuesday evening.

Mayor Bartlett made an address of welcome to the thirteen members of the two organizations who served during the war, including Laurel Van Patten, James McMillen, Laurel D. Powles, Edw. C. Jacobs, Edgar Simonson, Howard Strang, Harry Willett, Lewis Shultz, Ed. Frazier, Jos. Sheehan, James Maplethorpe, Elmer Hawkins and Art Hawkins, Jr. The last four named have joined the fire department since being released from the armed services.

Rescue squad members who were honored at the dinner included Henry Quadenfeld, Jr., George Bartlett, Jr., and Chas. Larsen, all members of the squad before going into service.

Since all firemen were at the dinner Chief Lou Van Patten arranged to take all the fire equipment to the dinner so that it would be on hand in case of an emergency.

T. R. Birkhead, principal of Antioch township high school, showed moving pictures to the gathering after the dinner.

Juron Given Edge in Probate Judge Nomination Race

Round Lake Atty. Looms As Winner of Republican Nomination

Unbiased surveys by political observers seem to indicate that the candidacy of Bernard J. Juron, candidate for the Republican nomination for Probate Judge, will be well received by voters throughout the county and especially in the western part of the county.

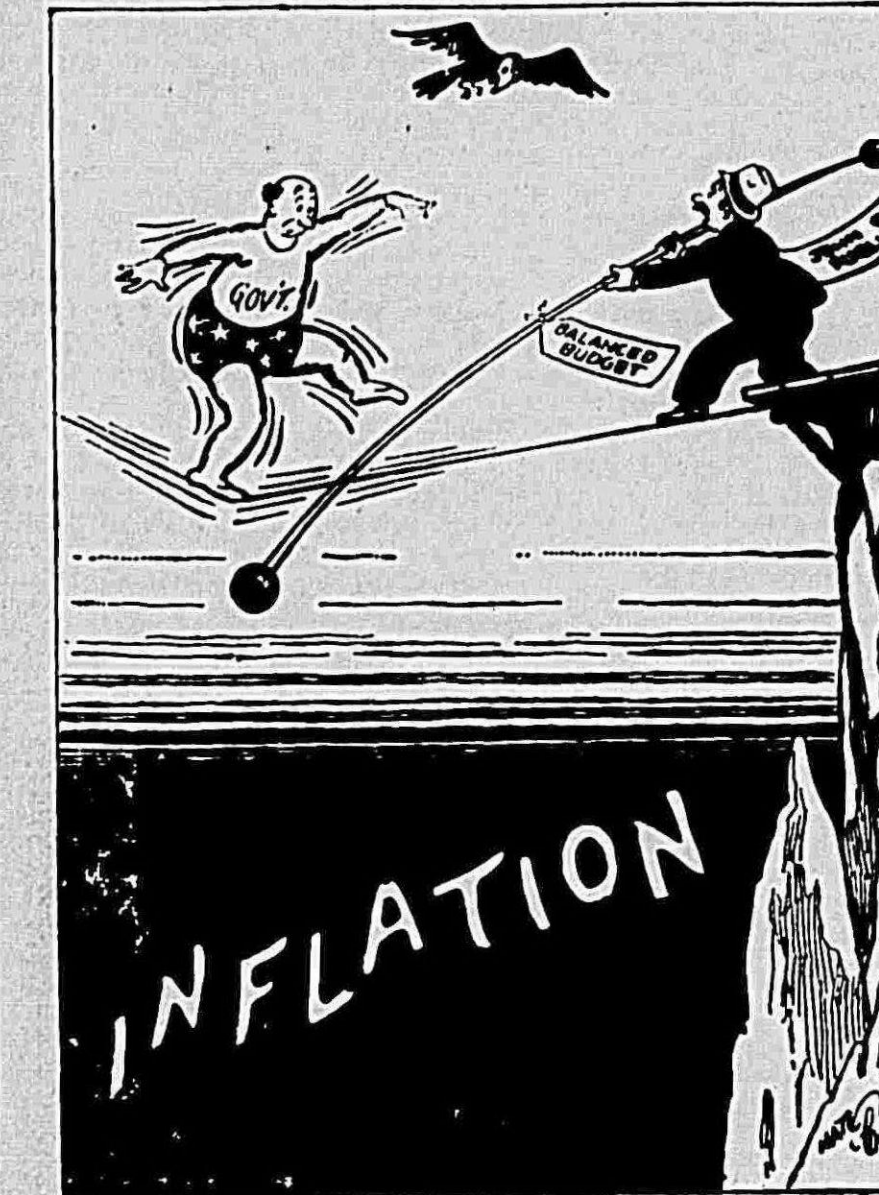

Juron's long service to the Republican party and his having been a member of the Lake County Republican central committee augur well for support among organized political bodies and his 28 years of law practice in Waukegan, and the county assure his support by many voters who have come in contact with him in this way.

He made his home in Round Lake for the past 25 years, where he and Mrs. Juron and their nine year old son still live. The fact that he has made his home in the country will have some effect on voters of the rural areas, because many voters feel that these areas should have some representation in the Court house, and that Waukegan men should not hold all the county posts.

Juron has served as city attorney of Highwood, Winthrop Harbor, Round Lake, Lake Villa, Fox Lake and other municipal bodies and this work has led to the wide acquaintance which is expected to be a tremendous help in securing votes in the primaries, April 9.

Active in fraternal orders, he has served as president of the Grayslake Lions club, the Lake County Shrine club and many other organizations, and is at present vice-president of the new Lake county School Survey committee, a non-political educational post.

... AND DOES HE NEED IT!!!

Grass Fire Season Starts This Week

Chief Lou Van Patten urged that all residents of the village and the community take extreme care in the matter of fire during the next few weeks, as weather conditions are just right for the annual outbreak of grass fires.

The department was called out three times during the week to extinguish grass fires. The calls include one at Channel Lake, on Grapevine Avenue, one at Park Ave., and one on the old Wedge estate, route 21, south of Antioch.

Van Patten said that considerable loss is experienced each year through uncontrolled grass fires and that adequate precautions before setting such fires would result in a great saving.

Set for Concert at High School Tomorrow Night

All is in readiness for the Annual concert which will feature the "Sequoia Music Makers," the dance orchestra made up of high school students, on Friday night. Advance sale of tickets indicates a large attendance, and many persons who have attended the concerts in the past will throng to the High School auditorium to hear the "Jumppin Jivers" do their stuff, when the baton of Hans Von Holwede, conductor, swings down.

The program will comprise twelve numbers including "Easter Parade," "Love in the Moonlight," "I'm Riding for a Fall," "How Deep is the Ocean," "The Sheik of Araby," "When My Baby Smiles at Me," "Goo-fus," "Siboney," "Symphony," "By the Waters of the Minnetonka," "Old Gray Mare," "Your Land and My Land," and "Star Spangled Banner."

The program will feature a singer or dancer for each of the numbers, and the show is being billed as a "Musical Show of Comedy and Romance, featuring Hits of Today."

Town Meeting Set For Tuesday, April 2

Antioch township's Annual town meeting to discuss the Town annual appropriation ordinance will be held Tuesday, April 2, at 2 o'clock p. m. in the Village hall, Antioch.

Then tentative ordinance, which provides for the fiscal year beginning March 26, 1946, will be on file and conveniently open for inspection after 7 p. m. tonight at Town Clerk Chas. F. Richards' office.

Final action on the ordinance will take place at the meeting April 2, other reports by the town officers will be read, and the officers will welcome suggestions for township betterment.

County Marine Corps League To Be Formed

All ex-Marines, both men and women are invited to attend the first meeting of the Lake County Detachment of the Marine Corps League to be held tonight at the American Legion home in Waukegan.

Robert Niemi, secretary of the new group, explains that Marine corps personnel only are eligible for admission to the league and also the men and women still in service are welcome to join.

Grade School Addition Is O.K'd Tuesday

Majority Vote Favorably on Bond Issue; School Addition

One lone dissenting vote was cast at the special election held Tuesday at the Antioch Grade school to decide whether or not the school board would be empowered to issue bonds in the amount of \$150,000 and build an addition to the present building.

187 voters exercised their franchise, with 182 ballots marked "Yes," 1 marked "No" and 4 ballots spoiled. The spoiled ballots were marked to indicate that the voters wished the board to build the addition, but did not vote in favor of the bond issue.

Although the amount to be raised is considerably more than the estimated cost of the addition to be built, grade school board members point out that the cost of equipping the new building will be considerable and that some of the equipment now in use is obsolete and worn out. The low rate of interest offered was an inducement in favor of going ahead with the plan now, they said.

The new building will include besides four new classrooms, a cafeteria, kitchen and an auditorium. The present building was constructed in such a way as to make the addition without disturbing the present building in any way, the plans for the original building having been made with an eye to future enlargement of the structure.

Overholser Committee to Hold Dance at Rink in Waukegan April 4

Plans for the final drive for votes for Willis A. Overholser, Libertyville attorney and a candidate for the Republican nomination for Probate Judge in the coming April 9 primary, include a free dance to be held at the Rink ballroom in Waukegan, on Thursday evening, April 4, at nine p. m.

Augie Sexton and his orchestra will furnish the music for dancing and Dorothy Preston will entertain guests at the Hammond organ. Advertisements for the dance state that there will be no admission charge for adults and that all candidates will be asked to appear.

Overholser, who has practiced law for the past 20 years has had a wide judicial experience, according to campaign material being submitted to the voters, and has been a Police Magistrate and Justice of the Peace in Libertyville. He is legal counsel for Libertyville and Mundelein, and for various fire protection districts.

Overholser appeared as a candidate for State Representative some years ago and ran a close third in a three cornered race with Harold D. Kelsey and Nick Keller, both popular voters. His showing in this race indicates that his candidacy will be well received in the present Probate judgeship race.

Speech Correction Expert Addresses Grass Lake P. T. A.

Miss Lucille Waters, who has specialized in speech correction phase of education, spoke before the Grass Lake PTA at a meeting held last Friday.

Miss Waters told of the work that is currently being done along this line at Plato Center, Ill., schools where she is employed. She told members of the PTA that speech correction is a new field, and that it was only during the past few years that the importance of correction of speech defects was realized by educators.

Her talk included a list of the most common defects in children's speech and told of corrective measures employed as well as giving suggestions for home treatment of the retarded children. About ten dollars per year per child is the average cost of speech correction training, she said, and added that 90% of cases were a result of mal-use of normal structures and were thus responsive to corrective measures.

Since much of the trouble arises from imitation of older persons who do not speak correctly, she urged that all parents strive to set good examples for infants who are just learning to speak.

Mrs. Arthur Trieger entertained a number of friends at a six o'clock dinner at her home Wednesday, the occasion being the birthday anniversary of her mother, Mrs. O. E. Hochmeister.

Why Continue The Fairy Tales?

A new national wage-price policy has been formally announced. It is to provide quicker settlement of wage problems, give price increases where hardship exists, and encourage all-out production.

To the person who is paying higher prices and wages today than ever before, and who is either not getting goods which have been forced off the market by prohibitively low prices, or who is getting an inferior quality of goods which have to be manufactured down to an artificial price standard, the talk about "holding the line" while announcement is made of new plans for adjusting wages and prices upward, sounds like a play on words and an insult to public intelligence.

Why not tell the truth and admit that we have inflation and that the only way to control it is to stop Federal deficits, reduce Federal expenditures, and encourage production, with wages to be increased as output per man rises?

All the fine-spun theories in the world will never

circumvent these facts any more than it will ever be possible to raise yourself by your bootstraps.

Suicide Or Peace

There appears to be a willingness in this country, at least on the part of the people, to sacrifice some sovereignty and make other substantial concessions on trade, territorial and political questions, if it will help establish permanent peace. There is no question whatsoever but that isolationism died with the dawn of the atomic age, except in the minds of a few wishful thinking escapists.

The really big question is how to apply the new American attitude to world affairs. And even this tough nut must be cracked or the hope of peace will give way to another deadly armament race which, as Chancellor Robert M. Hutchins of the University of Chicago, warns, "will end all hope for civilization."

Professor Hutchins tells what an atomic armament race would mean: "One airplane can destroy a city, even if 99 are shot down. . . . The atomic bomb can be smuggled into a country by agents in peacetime, planted in a convenient location, and detonated at a convenient time. . . . Since the agent who plants it will not leave his calling card, we may be unable to tell whose agent he was."

An armament race in atomic weapons is one everybody must lose. To start such a race is madness. . . . The alternatives before us now are suicide or peace. Those who now indulge in loose talk about settling international differences by force must realize that force means war. War means atomic bombs. And atomic bombs mean suicide."

THE OLD JUDGE SAYS...

GEORGE: "Yes, I certainly would like to hear why you call that an old fashioned idea, Judge."

OLD JUDGE: "Glad to tell you, George. Until recently, a person known as an alcoholic was generally treated as a social outcast. Little if anything was done to understand him or help him. But, during the past few years, medical research and study has developed that alcoholics are really sick people . . . that there is usually a deep-rooted physical, social or emotional reason behind their behavior. That's why today so

much is being done to help them by finding out and correcting the condition that leads them to excess."

GEORGE: "How many folks are there like that, Judge?"

OLD JUDGE: "Well, according to scientific research, 95% of the people who drink, drink sensibly. 5% do so unwisely, at times. Included in that 5% is the small percentage of the sick people I'm talking about."

GEORGE: "That certainly gives me a clearer picture. It's the most sensible approach I've ever heard of the subject."

Miss Lucille Gonyo Becomes Bride of D. Robert Martin

At an altar lighted by candelabra and decorated with jonquils, ferns, and snapdragons, Miss Lucille Gonyo, daughter of Mr. and Mrs. Nelson Gonyo, became the bride of Mr. D. Robert Martin, son of Mrs. Ethel Martin, of Waukegan. The marriage took place at the Millburn Congregational Church on March 16th and the Rev. L. H. Messersmith heard the vows. Miss Myrtle Hauerwas, a college chum of the bride, sang "Because" and "Always." Hans von Holwede offered "You'll Never Know," before the ceremony and also played the Wedding March.

The bride, who was given in marriage by her father, wore a white lace gown fashioned with a high neck and a tight bodice. Her silk net veil fell from a tiara of sheer flowers and she carried a white bible with an orchid. The diamond and pearl earrings she wore were a gift of the groom.

Mrs. John Madden, a sister of the bride, wore a white satin and net gown and carrying pink carnations and white sweetpeas, was the matron-of-honor.

Mrs. Ralph Birky and Miss Pauline Meek, dressed in matching gowns of pink marquisette and carrying bouquets of blue sweetpeas and white carnations, acted as senior bridesmaids.

Joan Madden and Evon Alcott, nieces of the bride, were junior bridesmaids. They wore blue taffeta gowns and carried pink sweetpeas and white carnations.

Tiny Jeannine Madden, dressed in a gown fashioned the same as the bride's, with a veil caught to a tiara of white sweetpeas, was the flower girl. She carried a tiny white prayer book with streamers on which were fastened white sweetpeas.

Gene Olcott, nephew of the bride, was the ringbearer and he carried the two rings on a white satin pillow.

Don Hoenshell, of Detroit, Mich., an overseas buddy of the groom was the best man. Earl Hanlin and Ralph Birky were groomsmen and Loy and Kenneth Olcott were ushers.

The bride's mother wore an aqua dress with brown accessories and a yellow jonquil corsage. The groom's mother wore an aqua suit with yellow accessories and a corsage of yellow roses.

The reception for 400 guests was held at the Episcopal Guild hall in Antioch after the ceremony. It was a double celebration since the bride's parents were celebrating their twenty-fifth wedding anniversary. Many beautiful and useful gifts were opened by the bride and groom after which Mr. and Mrs. Gonyo opened their anniversary gifts.

Mrs. Martin is a teacher at the Antioch Grade school. Her husband, who received his discharge in September, was a combat photographer with the 15th A. F. in Italy. He is presently employed at the American Can Co., in Waukegan.

Following a honeymoon in Springfield, Mr. and Mrs. Martin are now at home with the latter's parents.

MILLBURN CONG. CHURCH DINNER, APRIL 4

Members of the Millburn Congregational church, Ladies Aid are sponsoring a dinner in the church dining room, Thursday, April 4, at noon. Mrs. Emmet King is chairman of arrangements for the dinner. Everyone invited to attend.

Personals

Mr. and Mrs. Howard Jones were honored guests at a dinner and farewell party, given by a group of friends Monday evening at the Peter Neergaard Resort, 611 Villa Court, Deep Lake. Dinner was served, after which the Joneses were presented with a lovely gift from the group. Mr. and Mrs. Jones for the past several years have made their home at Deep Lake, having sold their home there, they plan on leaving April first for California where they will make their future home.

Mrs. Mollie Sommerville returned to her home Sunday from Victory Memorial hospital, Waukegan, where she had been for the past few weeks. Her condition is reported to be improving.

The regular business meeting of the Wesley Circle, will be held at the home of Mrs. Einar Petersen, 1042 Spafford Street, Wednesday, April 3, at 2 o'clock p. m.

Mrs. Lester Heath spent Tuesday in Chicago.

Card Of Thanks

We wish to thank our friends and neighbors for their many kindnesses during our recent bereavement.
Henry Herman and family.

Miss Shirley Richards entertained the Jolly-Jill girls at a party Wednesday, in honor of her brother, Billy. Games were enjoyed and refreshments served.

The next meeting of the Jolly-Jills will be held at the home of Miss Ann Carney.

Mr. and Mrs. Bonnie Maki, of Waukegan, were guests of Mr. and Mrs. Howard Gaston Thursday.

Children's Safety

Never leave small children alone in the bathroom and keep candy-coated laxatives and pills beyond their reach. Even headache tablets taken in large quantities can have serious results. Discard used razor blades in closed container where children cannot find them.

Wide Use for Ramie

Today, ramie, which resembles fine silk, is found in airplane and parachute cloth, tents, typewriter ribbons, currency papers, underwear, hosiery, raincoats, surgical dressings and upholstery fabrics.

Card of Thanks

I wish to express my sincere appreciation for all the acts of kindness, cards, flowers and other gifts which were given me during my recent illness.

How to SPEND LESS for a BEAUTIFUL LAWN

Compare what you spend in money, labor, maintenance... on a poor, weedy lawn, as compared to a beautiful, weed-free lawn. There are three temptations to cut corners... preparing the soil, buying seed, maintaining fertility. But Nature soon catches up with you.

FOOD: A thin, infertile soil will not long support a decent lawn; as will grass plants that are healthy when starved for proper fertilizer.

SEED: It's just the same when buying seed. You can't expect cheap grass seed to contain varieties growing permanently... nor to give you varieties selected and proportioned for growing conditions in your own locality.

MAINTENANCE: The money you spend on periodically re-building a lawn... to any nothing of the back-breaking labor and the weed-pulling... soon adds up to more than doing the job right at the start. You can't expect low-cost, annual grass varieties to hold back the weeds for long. Annuals should be used only to "nurse" the perennials. A good lawn seed mixture runs strong to perennial grasses... which permanently crowd out weeds.

WHERE: In our store we have extensive information about growing a beautiful, weed-free lawn—carpet.

Come in and let us help you.

home last Saturday evening, Mr. and Mrs. Blumenschein, Mr. and Mrs. Will Fish, Mrs. Anne Nelson and son Arthur won prizes.

Edward Kelly, son of Mrs. Marie Kelly, who formerly lived here, was released from the army last Saturday on his 21st birthday and Mr. and Mrs. Clarence Blumenschein and Kenneth were guests at the Kelly home in Waukegan, at a birthday dinner on Monday evening. Edward has been in the army for 3 years, a great deal of the time being spent in India.

The Mother-Daughter club met last week with Mrs. Alice Meyer. Two tables of 500 were played and Mrs. Sheridan Burnette, of Antioch, Mrs. Will Fish, of Waukegan, and Mrs. Ada Barnstable were awarded prizes. Marian Schroeder, Children's Librarian of the Waukegan Public Library was guest speaker at the meeting of the Halcyon Group, which was held March 14, at the Lake Villa parsonage.

The group felt quite honored to have such a capable librarian as Miss Schroeder discuss "Books for the pre-school age children" in the im-

pressive way that she did.

The regular business was conducted by Mrs. Rowland Pierson. Devotionals were read by Mrs. Bernice Armstrong. Miss Hyla Gawthrop surprised the group by singing "Mother Machree" accompanied at the piano by Mrs. Delbert Sherwood.

Hostesses for the evening were Mrs. Kaurin Karolius, Mrs. Don Cremin and Mrs. Harry Paval. The next meeting will be held at the home of Mrs. Beatrice Cribb.

Camphor Source
Formosan stills, which processed the chips of the camphor laurel, normally provided almost all the world's supply of natural camphor and about 70 per cent of the camphor used in the United States—for medicine, lacquer, perfumes, celluloid, photographic films and insecticides.

Fatty Acids
It has long been known that there are marked differences in the composition of various food fats. Some contain a large variety of fatty acids and others contain comparatively few types. When extracted from fat, some of these fatty acids are solid, some are liquid and some are volatile.

ELECTRIC BROODERS

get Chicks off to a Flying Start!

What to do before
your chicks arrive

Move brooder house to a well-drained spot—preferably one where no chicks have been raised for two years.

Make certain the brooder house has plenty of direct sunlight, fresh air, is free from drafts.

Thoroughly clean, scrape, and scrub the brooder house walls and floor with a hot lye water solution.

Clean and disinfect brooder, fountains, and other equipment to prevent spread of disease.

Start the electric brooder a few days before the chicks arrive to get heat regulated and to dry out brooder house and litter.

Be sure to use brooders according to their rated chick capacity. . . a temperature of 95 degrees to 100 degrees is desirable at the start, governed somewhat by the actions of the chicks. Normally, the temperature should be lowered 5 degrees each week until the 85 degree mark is reached.

Cold snaps hold no terrors for baby chicks arriving at poultryman Howard Mann's place near Kankakee. They step right from the shipping box into the protective warmth of electric brooders where they spend their first critical weeks in complete comfort and safety.

By using thermostatically controlled electric brooders, Howard has cut chick losses to a minimum . . . has produced more healthy birds with less work and worry.

Plan now to step-up your poultry profits by raising more of the chicks you buy. Visit your farm equipment dealer the next time you are in town and select one of the chick-saving electric brooders available. If he is unable to supply you with one at this time, drop us a card and we will immediately mail you approved plans for a homemade brooder which you can build from materials on hand.

Electricity for Brooding and other farm chores is available to more than 89% of all the farms in the area served by this Company.

COMPETENT, RESPONSIBLE
AND DESERVING

To The Voters Of Lake County

For the past 25 years I have been established in business in Gurnee, Illinois. I am a married man and the father of four children.

Prior to my business experience I was a farmer and have always worked in close co-operation with them.

Being in business I am familiar with the general public and its needs.

When elected I will work in close co-operation with responsible organizations and civic groups.

I offer individuals and minority groups direct action when a specific violation or threat to civil rights is brought to my attention.

I have always been an active worker within the Republican Party and your vote and support will be greatly appreciated.
